

**Call to all VIVA member visual artists** (2d and 3d) for our first ever group show at the Hardware Store Restaurant and Gather for the month of June 2018.

### **Eligibility**

Open to all members of VIVA presenting 2d and 3d works of art

### **Goals of this show**

The first purpose of this show is to sell art! We want to make a splash with our first show of the whole membership of VIVA and have a great turnout of all participating artists on First Friday. We also want to have photos of the artists so there can be a greater and recognizable connection with the artists and the community.

### **Submissions**

Each artist is encouraged to submit 1 work, preferably a new piece that was not part of studio tour show. Send me your best and let's show the community the depth of VIVA Artists!

2D pieces of art must fit within the size constraint of 16" x 16" including frame or smaller and must be ready to hang. The majority of 2D works will be displayed at the Hardware Store Restaurant and Gallery. This will be a "Salon Style" show to be able to accommodate as many works as possible.

3D works must be no larger than 10"x10"x10". the majority of 3D works will be shown at Gather

All works must be for sale and preferably created during the last year.

Submissions must be emailed to Kristen Reitz-Green at [reitzgreen@comcast.net](mailto:reitzgreen@comcast.net) with the following items:

1. digital photo of work, title, size
2. price that you expect to receive for the work if sold (actual sales price will be adjusted to reflect your price plus gallery commission)
3. photo and name of artist
4. number years you have lived on Vashon Island
